+2347060491904 *** Many of us believe that the age of "Money Rituals" is over, but I am sorry to bust your bubble because it still exists in different shapes and sizes. What's the definition of a Money ritual? Money Rituals are practices by some people who believe they can create wealth for individuals with the use of spells, charms, and sacrifices etc	
Money rituals can be traced to various parts of Africa, but it can also be seen in many countries such as India, Nigeri Ghana and even the west, where people use animals for (sacrifices) without no body effect or human organs of their body , The result of all this is usually seen as "Blood Money" and was commonly attributed to different traditional Gods such as Obakuta (The spirit of wealth), Shankara (The god of thunder), etc
